05/26/2020		<b>DOCKET TEXT ORDER</b> (no separate order issued:) The court has not had time to consider the TCCs oral motion to exclude exhibits or testimony of Mr. Campora, Mr. Richardson or anyone else that was made earlier today in response to Mr. Abrams' filing. Given the unforeseen difficulty with some of the audio or video transmission, the appropriate course is for the TCC to submit a brief written motion stating what specifically it wishes to exclude and a very short statement of why. That should be done by 5:00 PM on Thursday. If the court decides to admit written materials, it will allow time for oral argument during a later stage of the trial. If it decides to permit an examination of anyone, it will find time on the trial schedule to do so. (Montali, Dennis) (Entered: 05/26/2020)
